A close-up photograph of Mogra (Jasminum) flowers. The image shows several white, star-shaped flowers with multiple petals, some in full bloom and others as buds. The flowers are surrounded by large, dark green, glossy leaves. The background is slightly blurred, showing more foliage.

Plant Mogra
Location Charama
Bhumika Sinha

A photograph of a dense, green bush of Oliender Kaner (Santapal). The plant has many small, narrow, green leaves and some small yellow flowers. It is growing in front of a grey building with a window. A utility pole is visible in the background.

सुंदरता किधर मैं ढूँढ़ूँ
जिधर देखूँ
बस खूबसूरती ही,
खूबसूरती है।
